## **Late Submission Middle East**

**Aki Kimura [hyperakiaki@hotmail.com]**

Based on the text page 165 and 170, Oil and Water with its necessity and price have been discussed that some countries from Mideast have increase their income either gradually or rapidly but some have even had problem because they only have "Oil" or "Water" as one of their natural resource. According to <http://www.nytimes.com/aponline/business/AP-Oil-Prices.html> by associated press Oct 15th Sunday, author has stated the current "Oil" price on trade between U.S and Mideast countries and some average prices per barrel a day have been discussed.

*Deadline for vol. 1 issue 3 submissions (Eastern Asia), October 25, 2000 10:00AM.*
